## FACILITIES USE

### Welcome to Clover Park Schools

We welcome your group and trust that the facility will be respected as they are intended; for the education of children and young adults. It is important that the impact to the school of outside groups is minimal.

Please ensure your coaches and parents using Clover Park School District facilities adhere to the following:

1. Food and drink are not allowed on turf or fields. (Water/sports beverages ok)
2. Fields and facilities should be left in top condition. Remove all garbage and trash as you leave knowing that kids will be occupying the space for school and educational purposes.
3. Tobacco and alcohol use is prohibited on school property.
3. Vandalism is strictly prohibited and may result in immediate expulsion from the Facility.
4. Loitering, where it is determined by management to be in conflict with the enjoyment of the Facility by other patrons, is prohibited.
5. Respect for the staff, the Facility, and other patrons is expected at all times. Patrons determined to be routinely inconsiderate of other patrons, staff, property and/or equipment may be suspended or expelled.

Thank you,
